**5083. WOLFGANG PRESSURE COOKER**

**Wolfgang Puck Essential 22-Liter Stainless Steel Pressure Oven**

Description: Introducing the Wolfgang Puck Pressure Oven - Essential, the breakthrough countertop oven that makes everything taste better and cooks up to 70% faster. The Wolfgang Puck Pressure Oven accelerates cook time and infuses food with flavor by cooking in an innovative, sealed, pressurized compartment like a pressure cooker. Now available in a compact, counter-friendly size, the Essential fits everywhere and makes everything taste better. It's a full power oven that does it all. Not only will it toast, but it will roast, bake, broil, and re-heat in a fraction of the time! With a 22 liter capacity, it is a convenient countertop oven with size that is big enough to cook a 10 lb. turkey, but small enough to fit on your counter and under your cabinets. In fact, it's so efficient it uses a fraction of the energy of a conventional oven. Features: The Wolfgang Puck Pressure Oven Essential Series is 20% smaller than its predecessors and still features the same new technology for faster, juicier, more flavorful cooking. 5-function versatility: bake, roast, broil, toast, and warm. This model does not have the rotisserie feature. Cooks up to 70% faster! Countertop oven is pressurized and moisture-sealed like a pressure cooker to concentrate flavors and make it virtually impossible to dry out or ruin meals. One-year warranty included.
